Lisa Weldy is a resident of Apple Valley, California, where she moved with her husband and daughters in 1991. She is a Principal in Meridian Land Development Company.

As a child in Tennessee and Texas, Lisa took eight years of classical piano lessons. She sang in the church choir and played the flute in elementary, middle school, and participated in the high school marching band. From an early age she enjoyed classical music, opera, and the theater. After years of being a season ticket holder to the LA Phil, LA Opera and the Hollywood Bowl, she decided to look for an option closer to home and found the San Bernardino Symphony Orchestra, joining the board in 2014.

An avid traveler working her way through a long bucket list, Lisa is interested in architecture, gardens, decorating and art. She enjoys reading, gourmet cuisine, wine tastings, and has an unusual fondness for maps and atlases.
